

GreenWaste Environmental Policy

Policy Statement

Commitment to and leadership in sustainability is a core value of GreenWaste. As part of this policy, we are committed to environmentally responsible operations and recycled products that aim to conserve or enhance natural resources and comply with and/or exceed applicable federal, state and local environmental laws and regulations. GreenWaste's business is based on a circular economy model, which minimizes the environmental footprint of human activities by promoting resource efficiency, waste reduction, and the overall preservation of the environment and habitats. We diligently pursue strategies to conserve resources and minimize GreenWaste's and our customers' and communities' carbon footprint. GreenWaste also supports and aligns environmental initiatives with the United Nations Sustainable Development Goals ("SDGs") Goal 11 (Sustainable Cities and Communities) and Goal 12 (Responsible Consumption and Production). GreenWaste emphasizes the following in its operations:

- Resource recovery, recycling and composting of wastes;
- Use of renewable and alternative fuels;
- Investing in and producing renewable energy;
- Commitment to GHG emissions reduction targets;
- Use of air pollution and particulate capture and control technologies;
- Implementing stormwater best management practices;
- Protection, monitoring, design for or restoration of biodiversity and habitats;
- Implementing energy-efficient strategies;
- Implementing water-efficient strategies; and
- Safe handling of hazardous substances.

Administration of This Policy

The ESG Department is responsible for the administration of this policy. If you have any questions regarding this policy or if you have questions about environmental stewardship initiatives that are not addressed in this policy, please contact the ESG Director.

GreenWaste prohibits retaliation against employees for making good faith suggestions or complaints regarding GreenWaste's ESG efforts. This policy is not intended to restrict communications or actions protected or required by state or federal law.
